## Chandler's Birthday

The Webkinz were preparing themselves for another July birthday. It was Chandler's birthday today. "Phew. All the decorations are put up, Lulu." said Stripes.

"Good. Now we wait for Chandler to come back." said Lulu.

"Where did Chandler go anyway?" asked Hector.

"He went to the Kinzville Academy." said Alley.

"Hey, guys. He's coming back!" said Easter.

"Okay, hide!" said Lulu. Everyone hid behind some furniture while Chandler came in the front door.

"Guys? Where are you?" asked Chandler.

"Surprise! Happy birthday, Chandler!" said everyone at the same time.

"You guys knew it was my birthday?" asked Chandler.

"Of course we did." said Spark.

"Come on, birthday boy, the presents are all in the kitchen." said Lea.

"Alright." said Chandler. Everyone watched as the birthday boy opened up all his birthday presents and they all ate the cake.
